With Gratitude ...

A Chef's Hats Off thank you to **Patti Sperry** for extending her passion and knowledge in the kitchen to our members, with her "Cooking with Friends Cooking Classes." It is always a delight to hear the laughter coming from these classes, and then watching our members leave with big smiles on their faces! Please know we are grateful for your time and talents in preparing for these wonderful hands-on classes. Thank you very much, Patti!

A special thank you to our wonderful volunteers, **Kathy Smelch** and **Norma Krueger** for sharing their commitment to recycling with the LCCC! Month after month, they carry away HUGE bags of recycling to help the LCCC do their part to "clean-up" Mother Earth. It is very much appreciated by our Board, staff and other members!

A special thank you to member and watercolor artist, **Julie Ketner-Barrett.** Julie shared her passion and talents with us for a watercolor series in April. It is a joy for us to peek in on these classes and see the focus and enjoyment on the faces of our members while they participate in a new life-long learning skill. Thank you, Julie!

A special heartfelt thank you to **Ronnie Vickers** for 19 years of volunteer service to our organization! Taking on the task of Monthly Lunches at the Presbyterian Church in Granville is no small task, but Ronnie does it with ease and grace. She can whip up a birthday cake faster and better than any bakery in town! It is hard to express our gratitude in words, and thank you just doesn't seem to be enough! We are blessed to know Ronnie, and so thankful to have the opportunity to work with such an amazing woman. Thank you, Ronnie for everything you have done for us over the years!

In case our **"can't do what we do without you" LCCC volunteers** didn't know, we are forever grateful and thankful to each of you for giving of your valuable time and talents to help make the LCCC not just a place to go, but a place to belong. Your generosity is priceless and very much appreciated by our Board, staff and other members!

Last year, LCCC had 14,704 member-driven interactions.

We would not be able to make a difference in the lives of Licking County's 60+ adults without our dedicated volunteers! Know that you are appreciated and important to LCCC and Licking County residents.

Donation Requests

Our Outrageous B-I-N-G-O is outrageously fun! Our callers and our prizes make it so entertaining! To keep our treasure trove of prizes abundant, we would love any un-loved gifts that you would like to share. Please drop them off in Elisha Rose's office any time you wish.

Please share your magazine subscriptions with us. In case you didn't know, your donated magazines FLY out the door very quickly!

Please share your extra, unneeded utensils with us! We are in need of forks and soup spoons. When we say *"the more the merrier for meals"* we mean it! Please join us for lunch, dessert and lively, engaging conversation starting at 12 noon Monday, Wednesday and Friday.

Green-thumbs Up! Calling Volunteer Gardeners!
It is TIME! Our 20' x 20' plot is ready to go!
It's rototilled and ready for plants!
This year's LCCC Garden will be lead by
Rose, Beverly, and Ralph and Elisha.

This month's topic: Advanced Care Planning Presented by Jeff Smith of Licking Memorial Health Systems

Advanced Care Planning (ACP) is an ongoing process that reflects a person's goals, values, and beliefs to help guide current and future healthcare decisions. ACP allows individuals to receive medical care that is consistent with their wishes and reduces the stress of decision making on family and friends. The three items that are part of ACP discussions include The Living Will, the Healthcare power of Attorney, and Do Not Resuscitate (DNR) protocols.
